Extracurricular Activities

- (Fall 2013) SDSU Army ROTC, one semester of involvement. Hours dedicated weekly: 12 hours. As a cadet in the Army ROTC cross transfer program, I learned some of the basic steps to becoming an Officer in the U.S Army.
- (Fall 2013-Fall 2015) Palomar College Cross Country, two years of involvement. Hours dedicated Weekly: 16 hours. In cross country I was able to improve on my physical fitness capabilities and leadership skills where I qualified for State Championships and competed against division one community college athletes.
- (Fall 2015) Palomar College Associated Student Government Representative, one semester of involvement. Hours dedicated weekly: 1 hour. In this program I

was part of a student board that helped allocate funds to different student organizations on campus.

- (Spring 2016) Palomar Puente President, one semester of involvement. Hours dedicated weekly: 4 hours. As president I helped organize a community event on campus called “Tarde de Familia,” in order to encourage Latinx families to pursue a college degree.
- (Fall 2016-Fall 2018) SDSU Student Faculty Mentorship Program, two and a half years of involvement. Hours dedicated weekly: 1 hour. Through my mentorship program I met regularly with my mentor professor Ortiz where we discussed my goals and aspirations for SDSU as well as how to achieve them.
- (Spring 2017-Spring 2018) SDSU Sociology Alpha Kappa Delta (AKD) President, one year of involvement. Hours dedicated weekly: 4 hours. As president, I helped organize various consciousness raising meetings with AKD members that led to community service events and on campus study sessions.
- (Spring 2017-Spring 2018) SDSU Associated Student Government Representative, one year of involvement. Hours dedicated weekly: 1 hour. In this program I was part of a student board that helped allocate funds to different student organizations on campus.
- (Fall 2018) SDSU Mortar Board Honors Society Student Mentor, one semester of involvement. Hours dedicated weekly: 6 hours. As a mortar board mentor I was able to utilize my acquired skills in mentorship to better prepare my colleagues for success at SDSU.

Internships

- (January 2017-May 2017) The Center, San Diego, CA. Hours dedicated weekly: 8, total hours dedicated: 120 Hours. As an intern at the center I worked closely with doctors, community advocates and policy makers to help promote safe sex and discussed preventative ways from contracting and spreading HIV in the LGBTQ community.
